

## 40-ft INSULATED CONTAINER

### Standard Features

40-ft (2430 cu ft) Size

Full Opening Swing Cargo Doors

Aluminum T-grade Floors

Stainless Steel or Heavy Gauge Plastic Interior Lining

3" Thick Foam Insulation

Lockable Doors

On-site Delivery

Our 40-ft insulated units are available for purchase and lease, in both new and used conditions. Ideal for products that need to be stored at temperatures between 60 F and 70 F, such as paints, dry goods, sensitive file storage, parts inventory and more. Typically, temperatures in this range can be maintained with a small heater or air conditioning unit.

Unit (9-ft 6-in)	Length		Height		Width		Door Opening	
	Exterior	Interior	Exterior	Interior	Exterior	Interior	Height	Width
US	40' 0"	39' 2 <sup>11</sup> / <sub>16</sub> "	9' 6"	8' 3 <sup>5</sup> / <sub>8</sub> "	8' 0"	7' 5 <sup>5</sup> / <sub>8</sub> "	8' 6 <sup>1</sup> / <sub>2</sub> "	7' 5 <sup>5</sup> / <sub>8</sub> "
Metric (mm)	12,192	11,955	2,896	2,531	2,438	2,276	2,603	2,276

Unit/Tare	Weight	Payload	Gross Weight	Cubic Capacity
lb	7610	59590	67200	2430 cu ft
kg	3450	27030	30480	68.9 cu m
